

Ryan McBride

www.ryanmcbride.org · ryan@ryanmcbride.org

I build products that make aviation safer, easier, and more cost-effective. I've dedicated my career to empowering pilots and operators with precision, efficiency, and reliability through user-centered design.

EXPERIENCE

Vice President of Product Design, Flight Deck

JEPPESEN FOREFLIGHT · 2023 — PRESENT

I currently lead a world-class aerospace design team at Boeing responsible for a portfolio of digital products serving general, business, commercial, and military aviation worldwide.

Vice President of Product Design

FOREFLIGHT · 2013 — 2022

I joined ForeFlight as the first design hire, built a uniquely talented team of aviation product designers, and led UI/UX on mobile and desktop products from lean startup through acquisition by Boeing in 2019.

EDUCATION

Michigan State University

2008 — 2011
